JOIN US FOR A CELEBRATION
IN SUPPORT OF COMMUNITY YOUTH

Project: VISION's mission is to help the youth of Chicago's Greater Chinatown community reach their full potentials by providing them with tools for educational, personal, and civic development. Each school year, PV serves over 250 youth through free after school programming that provides educational support while also helping youth build the confidence, positive attitudes, and skills they need to become ready members of the workforce and future community leaders. This year continues to bring new challenges as we emerge in a post-COVID world, but PV remains committed to supporting all of our students, especially those who are most vulnerable to learning loss and struggling with social isolation.

While we look forward to a time when we can be together in-person again, we are once again hosting our annual Fall Soiree online for a virtual experience. Hear personal stories from our youth and meet our Board leadership, staff, and other supporters within the PV community. Attendees will also have the opportunity to bid on auction prizes.

Thanks to the generosity of supporters like you, this event will help us raise much-needed funds to support the essential programs that will keep our youth learning and thriving!
